

# Service Above Self ... Midtown Memphis Rotary Club supports Memphis in many ways

**Having fun & networking after work!**

**Helping kids while having a great time.  
Here we promote the love of reading.**

## What are you doing Tuesday after work?

Relax after work with a diverse group of professionals over heavy hors d'oeuvres and drinks starting at 5:15 p.m. Then enjoy an informative program from 5:40 – 6:30. It's a great way to spend time with friends and make new ones. Plus it's an easy stopover on your way home from work!

## Come take a test drive any Tuesday night.

We're the city's only evening Rotary club. We meet on Tuesday nights. Come as our guest once or a few times. We think you'll like what you see. Joining is easy and the dues are reasonable – just \$150 a quarter and only \$75 per quarter for those under 35. As a member you're also part of an international organization that's 1.2 million strong.

**Tuesdays – Join us for fun starting at 5:15**

**Where: Southern College of Optometry Annex  
1245 Madison (Map: [tec.sco.edu/maps/parking](http://tec.sco.edu/maps/parking))**

**Building Little Free Library units  
for various Midtown schools.**

**Help us help Memphis & the world.**

We make a difference locally – helping Midtown schools, cleaning up neighborhoods, supporting youth leadership training and lending a hand at Hope House and FedEx House.

We also make the world a better place through support of polio elimination efforts and Gift of Life, which helps kids from developing countries with heart disease get medical care in Memphis.
